

ISC Announces Appointment of Head of ERS

July 4, 2022

REGINA, Saskatchewan, July 04, 2022 (GLOBE NEWSWIRE) -- Information Services Corporation (TSX:ISV) ("ISC" or the "Company") announced that effective today, Susan Bowman has been appointed as Head of Enterprise Registry Solutions Limited ("ERS"), a subsidiary of ISC.

Shawn Peters, President and CEO of ISC said, "I am very pleased to welcome Susan to the team. This appointment is further to our announcement earlier in the year about leadership changes." Peters continued, "With this step now complete, I would like to thank Loren Cisyk for his leadership of ERS and look forward to Loren being able to fully focus on the strategic delivery of ISC's enterprise technology infrastructure, including cyber security."

Under Susan's leadership, ERS is expected to enhance its business development, growth, and performance as well as elevate the development of new registry and registry related products and services.

Susan brings over 20 years of experience in delivery of IT technology services. Her knowledge and experience in leading high-growth international digital organizations makes Susan well suited for ERS. Having also spent 6 years as an executive director across financial, medical and tech industries, Susan will bring her enterprise level leadership of IT operations to run, optimize, and manage the ERS team to achieve long-term business objectives.

ISC's Executive Vice President of Technology, Loren Cisyk, will now dedicate himself towards executing on the strategic delivery of ISC's enterprise technology infrastructure. This will include an expanded focus on cloud and cyber security and ensuring ISC technology continues to evolve with the future needs of our clients and customers.
